He who spares the rod hates his son, but he who loves him is careful to discipline him.

PROVERB FOR THE DAY

One of the key methods I have learned over the years for dealing with the everyday challenges that living throws my way is to meditate on the Word of God each day as I walk with God.

I have found that reading the Proverb for the day in the morning and reflecting on that Proverb and seeing how I can put it to action in my life as I go through the day has become a great faith builder and strength when trials and conflicts come my way.

Each day has its own Proverb and in one month I have applied all 31 Proverbs ready to do it again the next month. It really works, try it.

The righteous hate what is false, but the wicked bring shame and disgrace.

- Proverbs 13:5 -

Habakkuk!

1 *The oracle which Habakkuk the prophet saw.*

2 *How long, O Lord, will I call for help, And Thou wilt not hear? I cry out to Thee, "Violence!" Yet Thou dost not save.*

3 *Why dost Thou make me see iniquity, And cause me to look on wickedness? Yes, destruction and violence are before me; Strife exists and contention arises.*

4 *Therefore, the law is ignored And justice is never upheld. For the wicked surround the righteous; Therefore, justice comes out perverted. (Habakkuk 1:1-4 NASB)*

When I read these opening verses I think of all the current events happening even today and I ask myself, "Was Habakkuk looking into the year 2020?" The answer is that the prophet was telling of the vision revealed to him by God regarding the discipline and correction of a righteous God.

Take time to sit down and read this prophet in your Bible. It will reveal important principles regarding a Holy and Righteous God who will deal out justice and mercy in time. It speaks about the cycle of "judgment in time" and how God uses it to bring about His correction and blessings in due season.
