Reflections No. 29

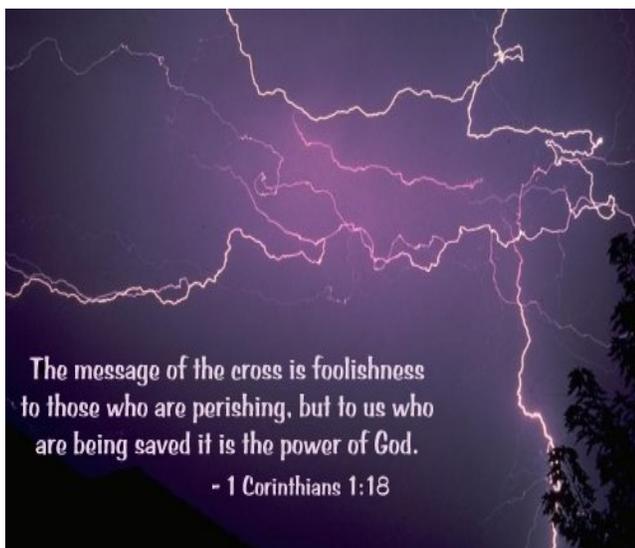

WHEN AT HOME

While we are in Lockdown and Isolated from being with other Christians there is one of many blessings we can turn to and be encouraged and learn more of God's Word from. That is the Bible and Great Bible Lessons found online. Below is a LINK to one of many resources I have used to enhance my Bible Study and focus more on God's Word rather than the distractions of life. Let me encourage you to go to this YouTube Channel and begin listening and study one of the many topics.

Back To The Bible & Let The Bible Speak

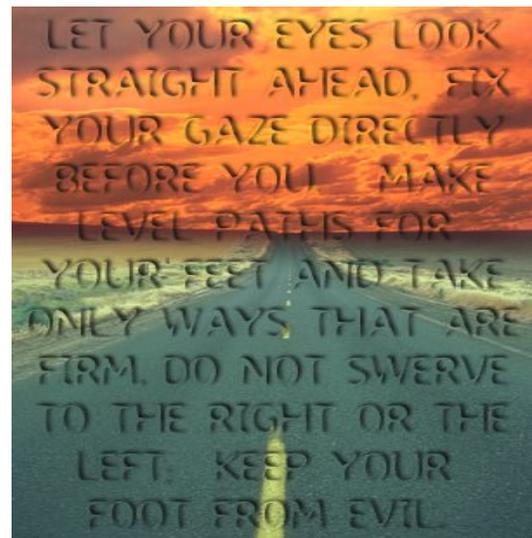

PROVERB FOR THE DAY

One of the key methods I have learned over the years for dealing with the everyday challenges that living throws my way is to meditate on the Word of God each day as I walk with God.

I have found that reading the Proverb for the day in the morning and reflecting on that Proverb and seeing how I can put it to action in my life as I go through the day has become a great faith builder and strength when trials and conflicts come my way.

Each day has its own Proverb and in one month I have applied all 31 Proverbs ready to do it again the next month. It really works, try it.

ABOUT REFLECTIONS

This newsletter will be a weekly publication sent via email as a PDF file to friends and all who subscribe. Please share and send me your comments, questions, and topic requests to EEHealy@veren.com.

A Restoration Church of Christ

Back to The Bible & Let The Bible Speak

Over the years I have found interest in many of the “old things” like cars, planes and trains. I have read books, watched videos, visited special events where there was a display of some very old item showing off the talent and hard work of someone or a group of people to bring back to life through restoration an old treasure as if it were just made.

In order to restore something to its original design you must go back to the design blueprint and follow the pattern as purposed by the original designer. No shortcuts and no substitutions are permitted, for in doing so you would end up with a finished produce of inferior quality.

To begin the restoration process one needs to focus on what the purpose is and move forward with patents, clarity and determination to see the finished product restored to what the original designer envisioned.

There are many churches and religions in the world. They are all designs envisioned by men and as there are different visions, yet they are all the same. They all lead to the same place.

But wait, what about God and His design for a church, you may ask. Are not all churches heading towards the same place?

If we are serious about restoring the church that God purposed and designed, we must return to the one and only blueprint and follow if faithfully without substitutions or shortcuts. We must go “Back to the Bible” and “Let the Bible Speak”

Ephesians 1:22-23 NASB

And He put all things in subjection under His feet, and gave Him as head over all things to the church, which is His body, the fulness of Him who fills all in all.

Ephesians 4:4-7 NASB

There is one body and one Spirit, just as also you were called in one hope of your calling; one Lord, one faith, one baptism, one God and Father of all who is over all and through all and in all.

When we move forward to build the church, it must be a Restoration Church by going “Back to the Bible” and “Let the Bible Speak” in all that we do with a vision to be the people and body of Christ as designed by our Heavenly Father.

An Invitation!

During The Pandemic Read and Study The Bible.
